OVERVIEW

46 West Hastings is a 10-storey mixed-use development, set to feature 231 new rental homes situated above a 50,000-square-foot integrated health centre (approx.), designed to serve the entire community. With an anticipated completion in **Spring 2024**, this development is expected to enhance the locale with its complementary retail and office spaces. In partnership with **Vancouver Coastal Health's** new health centre, it aims to provide invaluable support to the local residents, revitalizing the essence of Gastown in the process. Perfectly located to cater to the Downtown Eastside, 46 West Hastings stands proudly between Abbott and Carrall Street, deep-rooted in the iconic history of Gastown. Furthermore, its proximity, **less than 500 meters to Gastown's** vibrant dining and entertainment hubs, as well as Rogers Arena and BC Place, ensures seamless connectivity, especially with the Stadium-Chinatown Skytrain Station nearby.
